

Our Online Brochure

This beautifully styled Art Décor bedroom furniture is made in Maple with Walnut detailing, and comprises of wardrobes with solid Maple dovetailed drawers. A mobile bed that tucks out of the way to give additional room space during the day, this bed also boasts massive storage with four drawers. Also a desk / dressing table with solid Maple top and bookshelves have been incorporated into the design.

This furniture can be viewed by appointment.

This magnificent dresser is made from a combination of solid American Walnut and Canadian Maple giving plenty of generous storage. The drawers are also made from solid Maple with a beautiful and strong dovetailed construction. All the interiors are Maple veneer. We have fitted overhead recessed lighting into a wide feature cornice, and even the handles are our own design and individually handmade.

This stunning shower room with the "wow" factor, boasts many superb features, Maple veneer cabinets, wall tiling, flooring and lights. The spectacular curved vanity cabinet mirrors the curves of the vanity basin, whilst the whole design concept gives a very special and practical room. A must for any home.

This bedroom is fitted with solid Oak furniture made in a Traditional style with a contemporary twist. Careful consideration has been taken in terms of style and construction to compliment its setting within an old cottage environment. To maximise storage the bed has seven drawers, and three blanket compartments within the base. Solid curved doors on the cabinets finish the look; even the bookcase has sweeping curves.

This furniture is available to see by appointment.

This kitchen in our Pembroke style is made with solid Oak doors in a combination of paint and lacquer finishes. The cabinet interiors are all oak veneered. Unique curved wall cabinets create a very special look.

This kitchen can be seen by appointment.

Pembroke style kitchen showing some of the curved cabinetry we are famous for. The kitchen includes examples of Kuppertsbusch appliances, combination microwave, multifunction oven, steam oven, large induction hob, headroom extractor and dishwasher. This kitchen is highly equipped with many practical features including large, deep solid Oak dovetailed pan drawers, cutlery drawer, Tandem larder, swing pull-out larder, Revo carousel, waste bins and many more exceptional storage solutions.

The kitchen is in our show cottage and can be viewed by appointment.

Two examples of our furniture, shown above a special coffee table in Walnut and Maple, which is actually one third size of a matching dining table that was especially commissioned to compliment a unique kitchen we designed and made.

Below is an example of a small octagonal dining table made in solid Oak, with matching Oak chairs and in the background an Oak and Burr Walnut glazed display cabinet.

Specifically commissioned furniture for an open plan kitchen, dining and living area, the above cabinetry is finished in soft cream paint, complimented with American Walnut detailing. All the interiors are Canadian Maple veneer.

These splendid tall cabinets featured above show off individually handpicked book matched Burr Walnut panels, with detailing in Maple. Dovetailed solid Maple drawers, traditional butt hinges, internal lighting and handmade handles are just some of the features that make up this wonderful and handsome piece of furniture.

A superb example of a specially commissioned kitchen showing off our expertise in design and extensive use of sublime curves, Painted Tulipwood, Maple veneer internal finish, and Walnut have been extensively used in this project. The work surfaces in the top picture are made from Quartz. The cabinetry in the lower picture with the concave and convex curved doors has a veneered Walnut top with Maple inlay to give some exotic detailing. The doors have Maple beading as an added feature.

These images show part of our workshop, with craftsmen hard at work, you can see some of the processes in producing our Furniture. We are proud of our workshop and facilities and would welcome your visit and the opportunity to give you a tour of our facilities.

Special and very unique tall round display and drinks cabinet, shown being made in our workshop, and the finishing touches by Gordon in its new location in Chichester, West Sussex.

Some details exhibited here, within the furniture design, showing the curved features, bottle racks, internal drawers, wine rack, spice drawers, trays, chopping board, and many other interesting features.
